Subject: DOCUMENT RETENTION: YOUR MEMO OF APRIL 7, 1994

PRIVILEGED AND CONFIDENTIAL

Certainly, the instructions and advice I have consistently given incorporate the requirements of your April 6 memorandum. The purpose of my note was simply to highlight the problem, so that we could try to get to a more manageable procedure.

I hope that you will in fact be in a position to give us further guidance soon; and I have alerted the responsible people here that there may be a videoconference with you and the others in NY at some point soon.

Andy
